WHO WE ARE
Stepping Stones is a Youth and Young Adults Discipleship Program operated by Fair Havens Ministries in Beaverton, Ontario.

The Internship Program is designed for Christian young adults, aged 18–25, to train future leaders in a variety of ministries.

HOW IT WORKS
With a smaller, more focused team than our Summer Program, our year-round Internship Program is built around YOU!

This program is custom to each individual; designed to engage with how God has made and wired each person with their own unique givings and abilities.

Interns can now apply for the following terms:

Fall Term (September – December)
Winter Term (January – April)
Full Term (September—April*)
*with Christmas break

PROGRAM ELEMENTS

SPIRITUAL FORMATION
With a focus on how to be “missional in every day life”, Interns have the opportunity to grow their faith through practical disciplines. Along with book and Bible studies, local outreach, and one-on-one mentorship, this program is for young adults who want to bridge the gap between their faith and their future.

COMMUNITY LIFE
With an emphasis on learning life skills and independent living in a supportive environment, Interns learn to budget work and time with others, while managing finances, cooking, schedules, etc. There are also opportunities for “Community Events” (think, field trips and team-building adventures!)

LEADERSHIP DEVELOPMENT
Beyond gaining employment experience, Interns have ample opportunities to grow as leaders! Along with other full-time and year-round staff, Interns participate in global and local seminars, as well as staff development events. There are also opportunities to travel; Interns are asked to participate in Fair Havens’ Traveling Promotional Team

PAY STRUCTURE
Fair Havens Interns receive onsite accommodation, uniforms, meals (including meal allowance) and applicable training.
Interns also receive an honorarium of:

$300 per week ($1200 per month)

SERVICE ROLES
During their term at Fair Havens, Interns will have the opportunity to gain experience in any or all of the following areas:

Administration
Accounting
Dining Service
Food Service
Housekeeping
Maintenance/Trades
Outdoor Education

During the Program, Interns gain the opportunity to learn about how a dynamic ministry organization operates “behind the scenes”.

Stepping Stones
HOW TO APPLY

When visiting our website to apply, steppingstones.fairhavens.org/application you will need to complete the following:

1. Read our Application Kit* for a full description of the program, including Service Roles
2. Read our Statement of Faith*
