The **stepping stones** Internship Program is unique from our summer program as we focus on practical life skills such as cooking, spiritual disciplines, finance training, community outreach etc.

This program is not for those who simply want a job. It is for those who are serious about intentionally growing with Christ, being a disciple, and are willing to work hard at every task. It is our desire to have fully committed individuals for the months/term of their signed Service Agreement. (Along the way, we hope to have lots of fun and also make great friends as we train, serve, and live in community together).

All of those accepted into **stepping stones** need to know Jesus Christ as their personal Saviour and redeemer from the curse of sin, and that there is one God (Father, Son and Holy Spirit) and He loves you.

Stepping Stones Internship...

...a small staff team of 5-10 staff members hired to work together in a positive community to provide impactful ministry to our guests at Fair Havens Ministries while growing together and fixing our eyes on God!

...an experience that focuses on discipleship and equipping young people with the practical skills, experiences and encouragement to flourish and discover who they are as disciples of Christ.

WHAT IS STEPPING STONES?

stepping stones is a youth and young adult discipleship program, which aims to bring youth towards maturity in Christ, through **Work Excellence** (spring/summer positions with Fair Havens Ministries and an Internship in the fall/winter), **Spiritual Formation** (Bible studies – Cabin Devos, teaching sessions - Breakout, spiritual disciplines, etc.), and **Community Life** (fellowship with other believers).

stepping stones was created to make the most of the opportunity God has given Fair Havens Ministries to influence the students that work with us; building them up to be a new generation of God-directed leaders. This intentional approach, to encourage and equip our team has led to exceptional ministry.

Fair Havens Ministries, through **stepping stones**, each year recruits and enrolls around 90 youth (15-25 yrs. old) to serve and grow in our summer program and 5-10 in our internship program. It is our hope that all that participate are better equipped to bring glory to God and build up the church.

WHAT IS FAIR HAVENS MINISTRIES?

Fair Havens Ministries is a multi-faceted ministry that has been involved in the process of discipleship and leadership training since its inception in 1941, through our camp and staffing programs. Beginning as a summer bible conference, it has grown into a year-round ministry that includes a thriving Outdoor Christian Education program (OCE), Retreat & Conference Ministry, **stepping stones**, and numerous partnerships that support other Christian ministries.

Fair Havens Ministries provides a safe place, a shelter from the storm, so that individuals and families, young and old, can **reFresh, reFocus** - be recharged by God and then **reConnect** - impact the world for His glory. Fair Havens Ministries is very intentional about their summer youth staff, understanding that today's young people are the leaders of tomorrow. Because of this, it is our desire to best serve our staff by aiding them in their relationship with Jesus Christ in every area of their life.

Check out www.fairhavens.org for more information.

stepping stones desires to create a 24/7 environment that will provide countless opportunities for youth to grow; building them into disciples of Christ that will serve and lead God's people while positively impacting the world. To achieve this, **stepping stones** teaches, encourages and reinforces biblical truths and principles, which will change these three aspects of their life: Learning, Living and Leading.

Learning: All of us need to learn about God. Everyone participating in **stepping stones** is greatly encouraged to get to know their Creator with ever increasing familiarity. This is done by spending time in God's word, discussion, prayer, and worship. Youth will learn many things about God and His majesty, and the joy of knowing Him personally.

This also involves learning about others, ourselves, and the world that God has created. **stepping stones** promotes constant learning and places young people in an environment to stimulate productive and profitable learning in a variety of areas.

"Indeed, I count everything as loss because of the surpassing worth of knowing Christ Jesus my Lord. For his sake I have suffered the loss of all things and count them as rubbish, in order that I may gain Christ and be found in him, not having a righteousness of my own that comes from the law, but that which comes through faith in Christ, the righteousness from God that depends on faith..." Phil 3:8-9

Living: Our knowledge of, and relationship with, God should change who we are; our very living. **stepping stones** aims to positively influence the growth and spiritual development of each participant. Youth will be encouraged to pursue God first! Striving to live a godly life and demonstrating a holy lifestyle are important values that penetrate all aspects of the **stepping stones** experience. Personal discipline that produces godly character is emphasized.

"...so as to walk in a manner worthy of the Lord, fully pleasing to him, bearing fruit in every good work and increasing in the knowledge of God." Col 1:10

Leading: Our actions, our leading, are the out workings of our knowledge (Learning) and character (Living). Fruitful activity for God is not pursued in and of itself; it comes by way of learning, and living in line with, God. A balanced schedule of service, training and community allows the students to continually grow and be effective disciples, imitating the example of Jesus Christ who came to serve, not to be served. Youth will follow a program involving spiritual disciplines, including prayer/quiet times, worship, Bible study, and reading. They will also be trained in and serve in practical areas of ministry, which may include such areas as food and guest services, administration, program implementation for youth and children and maintenance.

"For Him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work." Eph. 4: 16

Spiritual Formation

All **stepping stones** participants will learn a variety of God and ministry focused material through various methods. Each enrollment level has different degrees of depth of content, areas of emphasis, and level of accountability related to the learning experience. During the Internship, structured learning will take place mainly through a small groups, instructor-led teaching sessions, and personal readings. As individuals progress through the **stepping stones** program they will be given the opportunity to learn both theoretically and practically. Opportunity to receive 1:1 prayer ministry onsite is also available for Interns seeking encouragement and further discipleship in their Christian faith.

Work Excellence

stepping stones participants make up the staffing for Fair Havens Ministries. Each person plays an important part in ministering to the thousands of guests that come on grounds. It is during these times of practical services that the **stepping stones** participants put into practice the things that they have learnt, acquire many new skills, and make a lasting impact in the lives of the guests.

stepping stones Interns may apply for a wide variety of service opportunities including: Food Services-Kitchen, Dining Room & Cafe, Housekeeping, Maintenance, Front Office, Accounting, and Outdoor Education.

Each service role opportunity has different expectations for the maturity and competency displayed by the staff. The service experience will be used to train students in doing everything as unto the Lord, under the leadership of service placement supervisors in different areas of technical skills as well as encourage growth in learning to lead as servants. *(Please refer to the Service Role section for details on the service opportunities.)*

Community Life

One of the greatest advantages of the **stepping stones** experience is the community that is formed. The **stepping stones** community is made up of young adults who work, live and worship together. The community is one of Christian fellowship and seeks to encourage the growth of its members to fulfill their unique role in the body of believers. Those onsite will live in 'Houses', where students of varied ages and roles live together in cabins where the older experienced staff can teach and care for the younger ones. Every student can learn responsibility, healthy life practices and interpersonal skills in a supportive Christian environment. Participants will be involved in group devotionals, community dinners with full-time staff, training in practical life skills such as cooking, finance, and so much more.

SELECTION PROCESS

The selection of participants will be based on three main areas; **Spiritual Formation** (is the student desiring to grow in their faith?), **Community Life** (will they be a positive influence on the Fair Havens Community?) and **Work Excellence** (are they hard working, can they work well in a team, and be an asset to their department?).

All Department Heads will be involved in the selection process. All information available will be taken into consideration including: previous involvement with Fair Havens Ministries, Application, Interviews, References, and Recommendations.

Every applicant, who has completed the application process, should be prepared to have at least one interview. Applicants will not be accepted at the time of their interview. Applicants will be contacted by email or phone with an offer of acceptance prior to receiving a contract.
