WHAT IS STEPPING STONES?

stepping stones is a youth discipleship program, which aims to bring youth towards maturity in Christ, through **Work Excellence** (spring/summer positions with Fair Havens Ministries and an Internship in the fall/winter), **Spiritual Formation** (Bible studies – Cabin Chats, teaching sessions - Breakout, spiritual disciplines, etc.), and **Community Life** (fellowship with other believers).

stepping stones was created to make the most of the opportunity God has given Fair Havens to influence the students that work with us; building them up to be a new generation of God-directed leaders. This intentional approach, of encouraging and equipping our team has led to exceptional life-changing experiences!

Each year, **stepping stones** recruits and enrolls around 90-100 youth (15-25 yrs. old) to serve and grow in our summer program and 5-12 in our Internship Program. It is our hope that all who participate are better equipped to bring glory to God and build up the church.

WHAT IS FAIR HAVENS CAMP AND CONFERENCE CENTRE?

Fair Havens is a multi-faceted ministry that has been involved in the process of discipleship and leadership training since its inception in 1941, through our camp and staffing programs. Beginning as a summer bible conference, it has grown into a year-round ministry that includes thriving outdoor education programs called Outdoor Creation Experiences (OCE), Retreat & Conferences on weekends, Family Camp in the summer, our discipleship program called **Stepping Stones**, and numerous partnerships that support other Christian ministries.

FAIR HAVENS
CAMP & CONFERENCE CENTRE

Fair Havens provides a safe place, a shelter from the storm, so that individuals and families, young and old. Fair Havens is very intentional about their summer youth staff, understanding that today's young people are the leaders of tomorrow. Because of this, it is our desire to best serve our staff by aiding them in their relationship with Jesus Christ in every area of their life.

Check out www.fairhavens.org for more information. Fair Havens is an independent not-for-profit organization.

WHAT IS THE FAIR HAVENS OUTDOOR CLASSROOM?

This is the location where outdoor education school trips are hosted (during the school year) and where skills instructors teach family camp programming (during the summer).

Fair Glen originally started as an overnight Youth Camp (during the summer). Then in 1985, it opened as our Outdoor Christian Education Centre teaching students (during the school year), with the cabins/facilities being rented for retreat groups (on weekends) and eventually becoming accommodations for Stepping Stones staff during summer

This past year we have been finalizing the rebranding process and will now refer to this location as **The Fair Havens Outdoor Classroom** to emphasize its connection to our larger organization.

It will remain the location of our program office, Outdoor Creation Experiences, Stepping Stones staff accommodations & the Family Camp skills programming.

Stepping Stones 2024...

... is an opportunity to plot your course with God on life's 'stepping stones' through spiritual formation, and meaningful service) and a positive community environment with fellow committed Christians!

...an experience that fosters the building of lifelong friendships while serving the more than 10,000 guests attending family programs at Fair Havens Family Camp and school trips to The Fair Havens Outdoor Classroom (previously called Fair Glen Outdoor Christian Education Centre).

FOUNDATIONS

stepping stones desire to create a 24/7 environment that will provide countless opportunities for youth and young adults to grow; building them into disciples of Christ that will serve and lead God's people while positively impacting the world. We want each one of our young staff to leave having grown in their spiritual maturity. To achieve this, **Stepping Stones** teaches, encourages, and reinforces biblical truths and principles, which will change these three aspects of their life: **Learning, Living, and Leading**.

Learning (Growth): All of us need to learn about God and valuable life lessons. Everyone participating in **stepping stones** is greatly encouraged to get to know their Creator with ever-increasing familiarity. This is done by spending time in God's word, discussion, prayer, and worship. Youth will learn many things about God and His majesty, and the joy of knowing Him personally.

This also involves learning about others, ourselves, and the world that God has created. **stepping stones** promote constant learning and place young people in an environment to stimulate productive and profitable learning in a variety of areas.

"Have nothing to do with irreverent sill myths. Rather train yourself for godliness; for while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come. The saying is trustworthy and deserving of full acceptance." 1 Timothy 4-9 ESV

Living (Character): Our knowledge of, and relationship with God should change who we are; our very living out the example that Christ set before us. Stepping Stones aims to positively influence the growth and spiritual development of each participant. Youth will be encouraged to pursue God first! Striving to live a godly life and demonstrating a holy lifestyle are important values that penetrate all aspects of the Stepping Stones experience. Personal discipline that produces godly character is emphasized. We can't just learn about how we are to live, we must show it in the way we live our life.

"...walk in a manner worthy of the calling to which you have been called, with all humility and gentleness, with patience, bearing with one another in love, eager to maintain the unity of the Spirit in the bond of peace." Eph 4:1b-3 ESV

Leading (Example to others): Our actions, our leading, are the outworkings of our understanding (Learning) and character (Living). Fruitful activity for God is not pursued in and of itself; it comes by way of learning, and living in line with, God. A schedule of service, training, and community allows the students to continually grow and be effective disciples, imitating the example of Jesus Christ who came to serve, not to be served. Youth will follow a program involving spiritual disciplines, including prayer/quiet times, worship, Bible study, and reading. CORE/Coordinators students will have the opportunity to lead in their various departments and within cabins (those who are cabin leaders). The conduct and actions of leaders should be an example to those they are leading. To make Christ known through His word and our deeds.

"Do not be conformed to this world, but be transformed by the renewal of your mind, that by the testing you may discern what is the will of God, what is good and acceptable and perfect" Romans 12:2 ESV

Spiritual Formation

All **stepping stones** participants will learn a variety of God and ministry-focused material through various methods. Each enrollment level has different degrees of depth of content, areas of emphasis, and level of accountability related to the learning experience. Structured learning will take place mainly through small groups, instructor-led teaching sessions, and personal readings. Some levels of enrollment will have a higher degree of instructor-led curriculum while others are more self-directed in nature. As individuals progress through the **stepping stones** program they will be given the opportunity to learn both theoretically and practically. Opportunity to receive 1:1 discipleship is also available for students seeking encouragement and further discipleship in their Christian faith.

Work Excellence

stepping stones participants make up the summer student staffing for Fair Havens Ministries. Each person plays an important part in ministering to the thousands of guests that come on the grounds. The varied service roles that the youth work in are also an important learning experience. It is during these times of practical services that the **stepping stones** participants put into practice the things that they have learned, acquire many new skills, and make a lasting impact in the lives of the guests.

stepping stones students may apply for a wide variety of service opportunities including Food Services-Kitchen, Dining Room & Cafe, Housekeeping, Maintenance/Custodial, Children's Ministry, Youth Ministry, Lifeguarding, Audio Visual, Registration Office, Accounting Office, Outdoor Education and recreation.

Each level of enrollment has different service role opportunities and has different expectations for the maturity and competency displayed by the staff. The service experience will be used to train students in doing everything as unto the Lord, under the leadership of service placement supervisors in different areas of technical skills as well as encourage growth in learning to lead as servants. *(Please refer to the Service Role section for details on the service opportunities.)*

Community Life

One of the greatest advantages of the **stepping stones** experience is the community that is formed. The **stepping stones** community is made up of youth and young adults who work, live and worship together. The community is one of Christian fellowship and seeks to encourage the growth of its members to fulfill their unique role in the body of believers. They will be part of a 'House' system, where students of varied ages and roles live together in cabins where the older experienced staff can teach and care for the younger ones. Every student can learn responsibility, healthy life practices and interpersonal skills in a supportive Christian environment. Participants will be involved in group devotionals, inter-house competitions and so much more.

The selection of participants will be based on three main areas; **Spiritual Formation** (is the student desiring to grow in their faith?), **Community Life** (will they be a positive influence on the Fair Havens Community?) and **Work Excellence** (are they hard working, can they work well in a team, and be an asset to their department?).

Department Heads will be involved in the selection process. All information available will be taken into consideration including previous involvement with the Camp and Conference Centre, Application, Interviews, References, and Recommendations.

Every applicant, who has completed the application process, should be prepared to have at least one interview. Applicants will not be accepted at the time of their interview. Applicants will be contacted by email or phone with an offer of acceptance prior to receiving a contract.
